Speaker: Dr. Zoltan Mari

Thursday June 6, 2019 at 6:30 p.m. EST

The Kensington Falls Church

700 W Broad St., Falls Church, VA 22046

Register at www.parkinsonfoundation.org or (301) 844-6510

Parkinson's Pointers is a lecture series where people gather in various locations for a presentation and a question and answer session by a physician or other person that specializes in Parkinson's. Powerful practical information is shared in a positive setting. Lectures are live streamed to the locations and refreshments are served. Parkinson's Pointers is a program of the Parkinson Foundation of the National Capital Area.
